

# CEDAR's Masterclass in Islamic Development Finance

(Sustaining Financial Performance with Social Conscience -  
An Islamic Imperative)

 **Date** : 24th October 2017 (Tuesday)

 **Time** : 9.30am - 5.30pm

 **Venue** : InterContinental Hotel, Kuala Lumpur

## ► WORKSHOP OVERVIEW

This one-day intensive Masterclass in Islamic Development Finance offers the participants some key fundamentals in appreciating and identifying principles and characteristics of an Syariah-compliance Development Financial Institution(DFI).

Though not a pre-requisite, having some practical experiences and knowledge in Islamic Banking and Finance would prove to be beneficial especially in the course of discussion on issues and framing of strategies towards structuring, developing and/or transforming existing financial institution into an Syariah-compliance DFI.

Facilitators comprise of senior management of DFIs, professional practitioners and experience bankers in the industry. The approach shall include brief lectures, broad discussions, sharing of contemporary ideas and experiences, current and future outlook on DFI modalities, best practices and regulations governing an Syariah compliance DFI.

## ► AGENDA OUTLINE

**Module I** An Islamic Worldview of a Development Financial Institution (DFI).

**Module II** Financing Products Differentiation and Developmental Roles of an Syariah-compliance DFI.

**Module III** Syariah Compliance Financing Analysis and Investment Management.

**Module IV** Managing Risk through Syariah Governance and Best Practices.

## ► WHO SHOULD ATTEND

- CEO/ Managing Director and Senior Management of Financial Institutions and Development Finance Institutions (DFIs)
- Central Bankers/ Government Officers/ Policy Makers
- Practitioners/Syariah Experts/ Consultants
- Academicians/ Researchers/ DFI Subject Matter Experts
- Interested Parties
